

Makita

18V Inflator

DMP180

Product Objectives

- Designed to suit the needs of users looking to inflate car and light truck tyres, sports equipment, bike tyres and more
- Develop a powerful inflator powered by 18V batteries with a lightweight durable design

Product Overview

Digital Display Screen

Onboard accessory storage

LED Job Light

0.83mPa Max Air Pressure

Trigger Switch

Main Switch

Auto-Stop Function

Product Specification Sheet

Max Air Pressure	0.83MPa (121psi)
Discharge Volume	At 0.7 MPa – 6.2L/min At 0.2 MPa – 10L/min
Duty Cycle	5min On/ 5min Off
Overall length	266mm
Skin Weight	1.4kg
Weight with battery (6.0Ah)	2.0kg
Voltage	18V

- **Digital Display Screen** – high visibility display screen allows you to clearly see the pre-set air pressure, as well as the current air pressure. The added backlight makes it ideal for use at any time of the day or night
- **Onboard accessory storage** – accessories for various inflation points stored on the front of the housing for added convenience
- **LED Job Light** – bright white LED illuminates the object being inflated enabling inflation in dark places or at night
- **Main Switch** – eliminates the risk of unexpected start-up during transportation
- **Trigger Switch** – one finger trigger switch allows the operator to comfortably operate the tool
- **Auto-Stop Function** – automatically stops inflation at the selected air pressure
- **0.83MPa Max Air Pressure** – delivers 6.2L/min @ 0.7MPa | 10L/min @ 0.2 MPa

Advantages

Power

Max air pressure of 0.83MPa

Versatility

Ability to inflate car tyres, pool floats and sporting equipment

Convenience

Backlit display screen allows use during the day or night

Compact

2.0kg on a 6.0Ah battery making it ideal for transportation

Our Range

	DMP180Z	MP100DZ
		
Max. air pressure	0.83MPa (121PSI)	0.83MPa (121PSI)
Discharge volume	At 0.7 MPa – 6.2L/min At 0.2 MPa – 10L/min	At 0.7 MPa – 4L/min At 0.2 MPa – 10L/min
Duty Cycle	5min on / 5min off	5min on / 5min off
Overall Length	266mm	255mm
Skin weight	1.4kg	1.3kg
Auto-Stop Function	Yes	Yes
Voltage	18V	12V Max

*18V model features a higher discharge volume at a higher pressure meaning faster inflation times.

Accessories

Standard Accessories		
	TE00000346	British Adapter
	TE00000334	French Adapter
	TE00000335	Ball Adapter
	TE00000333	Pool Float Adapter
